

Cooperative Agreement Application

If a student athlete wants to participate in the State High School Clay Target League (League) and the athlete's school does not have a team, the athlete may participate on another school's team only if a Cooperative Agreement is signed by both school's Athletic/Activities Directors.

Once completed, this form must be in possession of the head coach before the team roster deadline. The agreement is valid only for the season it is submitted for. No agreements will be allowed after the deadline date. One student application per form.

It is strongly encouraged that the athlete makes a concerted effort to start a team at his/her own school before participating on another school's team.
